EDUCATION

- **BA in Economics** – *Universidade de Vigo*

September 2014 – July 2018. 240 ECTS, in Spanish and Galician. Standing out specially in subjects of the mathematical field such as Microeconomics, Macroeconomics, Mathematics, Game Theory, or Institutional Economics.

Bachelor thesis (12 ECTS) in mathematical economy, supervised by Dr. Margarita Estévez Toranzo: *Mathematical methods for planning. Soviet experience.*

- **ERAMUS+ programme** – *Ekonomikas un Kultūras Augstskola* (Riga, Latvia)

Academic year 2016/2017. 60 ECTS, 100% in English. Co-authoring a research article with Dr. Velga Vevere.

- **Master in Economics** – *Universidad Carlos III de Madrid*

September 2018 – September 2019. 60 ECTS, 100% in English.

Econometrics' empirical project (May 2019) supervised by Dr. Álvaro Escribano Sáez: "Should we consider institutions?" A time series analysis about how institutional variables affect the main macroeconomic indicators.

Master's thesis (6 ECTS) supervised by Dr. Antonia Díaz Rodríguez: "The Role of Institutions on the Becoming of Nations". An econometric analysis about how institutional quality affects income, public debt, and inequality.

- **Master in Social Sciences** – *Universidad Carlos III de Madrid*

September 2019 – July 2021. 120 ECTS, 100% in English. Specialized in Economic History and Institutional Economics, I wrote numerous research articles also in political science.

Master's thesis (18 ECTS), supervised by Dr. Stefano Battilossi: "The causes of Spanish emigration through institutional performance, 1880-1936". An empirical analysis on the effect of both fiscal policy decisions and poor definition of land property rights on Spanish emigration in the late 19th and early 20th centuries.

- **PhD in Economic History** – *Universidad Carlos III de Madrid*

September 2021 – Today

"The *foros* system. Study of the persistence and efficiency of the foral contract in the north-western regions of Spain"

Supervised by Dr. Juan Antonio Carmona Pidal.

PROFESSIONAL EXPERIENCE

- **Professor** at *Universidad Europea de Madrid*
