

Work at the heart of change

Accenture Strategy first date!

For those of you, who are studying and preparing for the future, **we want to meet** you in the best environment we can think of: our offices at Castellana 85.

We invite you to an **exclusive event** where you will have the **unique opportunity** to learn about the exciting world of Accenture from our leaders. They will share insights into our best projects and the day-to-day activities of our teams.

Additionally, being selected to attend means you've been pre-selected for our challenging selection process. During the event, you will have the chance to talk to our Strategy Executives and the Talent Acquisition team, who will provide valuable information about the remaining phases of the selection process, your career plan, and professional development.

And that's not all! At the end of the day, we invite you to a cocktail on our wonderful rooftop, where you can chill out and network with our leads.
